THE Republican attempts to show that the workingmen were dissatisfied by the political activity of President Compers, is shown o e about! for he was unanimously re-elected president at the national convention, just held, of the American Federation of Labor.

Vice-Fresident Fairbanks was surprised at the warmth of his reception at Tampa, Florida, but he should remember that in that semi-tropical region they are glad to get anything that will help them to keep cool.

The Wall Street frenzied financiers and other national bankers having secured all the surplus in the United States Treasury now declare the money tension is ended for this year. Secretary Shaw certainly is an easy mark for the Wall Street shards.
